July 2, 1986

IN THE MATTER OF:)
)
PARTICULATE EMISSION LIMITATIONS,) R82-1 (DOCKETS A AND B)
RULE 203(g)(1) AND 202(b) OF)
CHAPTER 2)

RESOLUTION IN RESPONSE TO JCAR OBJECTION.

RESOLUTION AND ORDER OF THE BOARD (by J. D. Dumelle):

This Resolution and Order constitutes the Pollution Control Board's formal response to the objection of the Joint Committee on Administrative Rules (JCAR) dated June 23, 1986. This response is made in accordance with Section 7.06 of the Illinois Administrative Procedure Act.

In its June 23, 1986, letter of objection JCAR objects to all or portions of 35 Ill. Adm. Code 212.121, 212.123, 212.124 and 212.126. These rules constitute the entirety of the amendments to the opacity limitations as proposed in Docket B. None of the rules proposed in Docket A have been the subject of any objection. Furthermore, USEPA has indicated that the opacity rules, as presently proposed, could not be approved as a revision to the State Implementation Plan. (P.C. No. 38, June 12, 1986). Given these occurrences, the Board has determined that it is appropriate to withdraw its proposal to amend Sections 212.121, 212.123, 212.124 and 212.126 while proceeding to final adoption of the remaining particulate rules.

The Board has today adopted the particulate rules and will file them concurrently with its notice of withdrawal of the opacity rules to the Secretary of State and JCAR.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3rd day of July, 1986 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
